

## ERRATA

S. Mittal and B. Kumar, "Flow past a rotating cylinder", **476**(2003)303-334.

1. A typographical error was discovered in Equation (23). The term  $\tau_{\text{SUPG}}\rho\hat{\mathbf{u}}^h \cdot \nabla\hat{\mathbf{w}}^h$  in the second line of Equation (23) should be replaced by  $\tau_{\text{SUPG}}\rho\mathbf{U}^h \cdot \nabla\hat{\mathbf{w}}^h$ .
2. When the expressions given by Equations (19)-(22) were added in the revised version of the manuscript, the reference [A1] for those expressions was inadvertently left out.
