

Short Course on
Brihaspati-2 Installation, Management & Effective use
June 15-16, 2007

Department of Electrical Engineering
Indian Institute of Technology Kanpur-208016
Venue: PBCEC conference room, Visitors' hostel, IIT Kanpur-208016

Objective

Brihaspati-2 an opensource LMS has been developed with the support of Elearning Division, MCIT and IIT Kanpur. The system is used in IIT Kanpur to augment the classroom teaching by leveraging on the web technology. It has already been in use for more than four years in IIT Kanpur. It has also been adapted by many other institutes. Over the last few years, we had felt the need for providing training to persons from various educational institutes so that they can install, manage and effectively use the system to improve the learning environment in their institutes. In order to provide training to faculty or staff from different educational institutes, this training programme is being organized. It will discuss – how to install and management the Brihaspati-2 at your institute or organisation. Further there will be two modules to elaborate on effective usage by teachers and students.

No. Of Participants: Thirty (30) on first come first serve basis.

Travel and Accomodation: No TA/DA will be provided. Shared accomodation will be arranged in visitors' hostel, IIT Kanpur on payment basis.

Registration Details: Registration Fees- NIL^{\$} (for academia), Rs.1000 (for industry participants)

Registration kit: We will provide the CD containing opensource Brihaspati-2, copies of slides of the lectures and documentation for installation, administration and usage.

Last Date for registration: 10 June 2007.

How to register: Fill the attached form and send it by post, scanned version by email, or fax it to the number 0512 392 7944 or 0512 259 7944.

Course Coordinator: Dr. Yatindra Nath Singh

Associate Professor
